Connectable label printer for your business

PT-D610BT

Connectable label printer for your business

Transform your business with a professional label printer from Brother. From large office spaces to retail and wider business environments, the PT-D610BT model offers a compact, easy-to-use label printer which prints crisp, laminated labels and comes with additional Bluetooth connectivity. The PT-D610BT is perfect for organising files and folders, asset management and creating visitor name tags in the office or conveying product information and creating inventory tracking labels in a retail store.

PT-D610BT

Key features:

- Create labels using the built-in keyboard, download the Brother iPrint&Label app and use your smart device or connect to a computer via USB for additional labelling functionality using P-touch Editor software
- Full colour, high-resolution back-lit display
- Fast print speeds and automatic tape cutter for high-volume jobs
- High print resolution for crisp barcodes, graphics and logos when connected to a computer
- Store up to 99 labels for quick reprinting
- Print on label tapes up to 24mm wide
- Includes tape cassette, AC adapter, and USB cable
- Language: English, Arabic, Farsi
- Interface: USB and Bluetooth

Perfect for standalone use

With a built-in QWERTY keyboard and large graphical display which includes print preview, the PT-D610BT model is user-friendly and designed for ease-of-use, fast typing and optimal desktop handling.

Expanded options for creating labels

The PT-D610BT label printer is perfect for straightforward standalone use, as well as PC/smartphone connectable which offers additional label design functionality when paired with the iPrint&Label app, plus Brother's own P-touch Editor software. These applications provide expanded options for creating labels beyond basic usage, including specially designed, ready-made templates and the option to create fully customised labels. Include your own logo, symbols, barcodes and much more.
